

## Discussion Scoring Tool

The following scoring guidelines will be used to grade your participation in the class discussion.

### Excellent

- Demonstrates mastery of the subject matter.
- Response thoroughly answered the question with appropriate and/or accurate information.

### Good

- Demonstrates good knowledge of the subject matter.
- Response answered the question but needed more development or better explanation.

### Fair

- Demonstrates some knowledge of the subject matter.
- Response addressed the question but was unclear and/or undeveloped.

### Poor

- Demonstrates little to no knowledge of the subject matter.
- Response did not address the question.

### No Response
